

## Club Organization

The Kiwanis Club of Ashland, Inc. is chartered both by Kiwanis International and by the (Virginia) State Corporation Commission as a non-profit corporation. The Club is structured by its Bylaws.

We have a number of officers elected by the membership – president, president elect, vice president, secretary, treasurer and immediate past president. Each has specific functions and responsibilities.

In addition, the Club has eight elected directors (each serving a two-year term). Collectively, the officers and directors make the planning, operational and funding decisions for the Club, operating as the Board of Directors.

Supplementing the officers and directors are 10 – 15 standing committees comprised of selected Club members, most with a chair elected by the committee members or appointed by the Board. It is through these committees and the bulk of our fund-raising and service projects/programs are planned and executed.
